

## Name of product:

# CobiCabling Cable bundle organizing tool

### FEATURES:

- Universal, fits cables of different categories
- Flexible and resistant material
- Ergonomic and lightweight construction
- Easy and aesthetic organization of cables
- Accommodates up to 24 cables

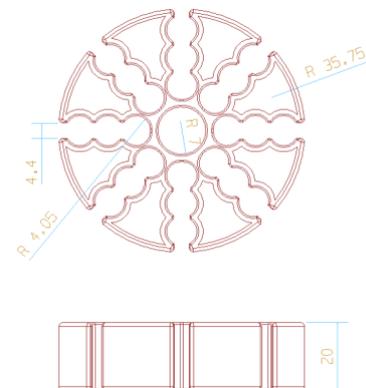

### PRODUCT DESCRIPTION:

CobiCabling tool for organizing bundles of installation cables. It is ideal for keeping your server rack and cable bundles organized.

Smooth edges ensure safe use on network cables, preventing abrasion of the cable sheath.

We can use the comb for cables with different outer diameters.

Velcro band included.
